### Register of applications considered by Plans Sub-Committee

Plan No	Date Received	Applicant	Proposal	Observations
P20/S3651/H H	03.11.20	Miss D Connolly-Taylor	Refurbishing and extending an existing house, lifting the roof by 1.2m, creating an extension and an underground basement at The Old Dairy, Tanners Lane, Chalkhouse Green	Objection – the proposed balcony could affect the privacy of neighbours. The Council also draws attention to the concerns of neighbours about the impact of raising the roof ridge line and excavating a basement, given the underlying rock, chalk, being prone to sink holes and cavern collapses.
